

## Who can help me?

### **Class Teacher:**

The class teacher spends so much time with your child, they can provide an overview of how they are getting on.

### **Sandwell Local Offer:**

Log onto the Sandwell Local Offer to see all local charities and support services free to parents and families.

### **GP**

Your GP can support by making referrals to appropriate NHS services.

### **Speech and Language/Physio and Occupational Therapies**

0121 612 2010

This is a self-referral service.

### **SEND IASS**

Information, advice and support services.  
Tel: 0808 808 3555 Monday-Friday: 9.30am-5pm

### **SENCo**

Mrs C. Medhurst

The SENCo can go and observe my child in class and if necessary plan for support to be delivered in school or refer to external agencies.

### **NHS Services**

- CAMHS
- Paediatrician
- Continence Team
- Specialist Dental services for children with special needs.
- Physiotherapy services
- Occupational Therapy

### **External Agencies associated with school:**

- Inclusion Support
- CAMHS
- Murray Hall
- Early Help
- Autism West Midlands
- School Nurses
- Sensory Integration Therapist
- Physiotherapy and occupational therapy.
- Family Support
- Speech and Language therapies

I have a concern about my child possibly having a special educational need – where shall I start?
